

# Protect Your Investment... ...and Your Patients!

**Designed specifically for the Geiger® TCU®,  
these disposable sheaths will fit your needs!**

Geiger TCU disposable sheaths save time and prevent cross-contamination when autoclaving the TCU handpiece is not an option. The sheath has a larger diameter than regular electro-surgical handpiece sheaths so it fits the TCU handpiece perfectly! Helps prolong the life of -- and protect -- the handpiece during surgery.

- Protects against contamination
- Extends handpiece life
- Disposable, economical
- Non-sterile, latex-free
- Made in the USA quality
- Convenient, 100-unit dispenser box
- Fits the 250 and 202 handpieces

*Order by contacting your Geiger Medical Technologies Distributor or Geiger Medical Technologies.*
